### **Bell Mar Plaza announces Grand Opening of Barnaby Street Shoppes**

**Surprise, Arizona-** November 10, 2010- Bell Mar Plaza today announced a new venue designed to showcase local entrepreneurs and retail merchants. Barnaby Street Shoppes was designed to replicate an outdoor street fair with its cobblestone floor walkways and overhead party lights. A variety of merchandise is on display ranging from jewelry, crafts, art, Caribbean spices, sauces and related island products, clothing, memorabilia, etched glass, outdoor living products, home décor, and much more.

Bell Mar management has teamed with local small businesses in an effort to provide a reasonably priced showcase for their goods & services that would not normally be available to the small business person. In battling the tough economic times, many small businesses cannot afford a quality location in a new shopping center. By patronizing Barnaby Street Shoppes, customers will be supporting the local economy, small businesses and your friends and neighbors. The goal is provide a way for all of us to do our part in creating new jobs right here in Arizona!

The Shoppes are just around the corner from the 5 & Diner on the West side of the Plaza. Hours are 9AM- 6PM Thursday – Sunday.
